Drying under reduced pressure (per 30 min) <sup>[1]</sup>	¥1,600	optional service
Reanalysis	(an amount equal to the initial fee)	

(New equipment: JM11)

Analysis	Fees	Remarks
CHN (at one time)	¥5,400	regular analysis
Drying under reduced pressure (per 30 min) <sup>[1]</sup>	¥1,600	optional service
Reanalysis	(an amount equal to the initial fee)	

[1] Time of drying is specified by the 30 min (30, 60, 90, 120 min *etc.*)

Write desired time next in the margin to "other considerations" box of an application form if the time is 60 min or more.

[2] Fees of drying are charged even if samples are lost under reduced pressure.

However ones of CHN analysis aren't charged.
